

**Math 200 - PSet 0**  
**Due by noon, Monday 9/11**

PSet 0 has two parts. Part I has three questions and should be submitted to Gradescope.

Part II, a survey, should be submitted via the Google link below. Full credit given for submitting both parts on time.

## Part I

### Directions:

**Update (9/6/2023):** if you are on math 200 canvas site, you should be added to the Gradescope automatically. If this is not the case, please use the entry code WB3ZN2.

Watch the video ([click HERE](#)) on how to upload your homework file to Gradescope

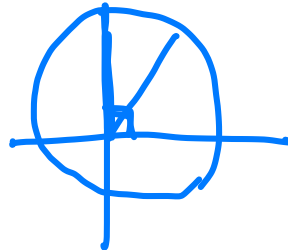

- Answer the questions on paper (scan using [App](#)) or tablet, or computer.
- Upload your answer file to Gradescope in one pdf document (only).
- After uploading your file, identify which questions and answers are on which page on Gradescope.

### Questions:

1. What is your name and where were you, geographically, on this date two years ago? *Helndel Max Gue NJ*
2. (Equation Jumble) Each of the following four equations can be represented in a form of one English letter. After solving all four, arrange the letters in any order such that the letters make up one word.

- $x = -|\sin y|$  for  $0 \leq y \leq 2\pi$ . *F*
- $y = \frac{1}{x}$  for  $x > 0$  *L*
- $y = |x|$  *V*
- $x^2 + y^2 = 1$  *C*

*FOLE*

3. Please list three of your hobbies or interests.

*Drawing working out gaming*

## Part II

Use the following link to complete the Google survey:
